- umfangreiche Anbindung an das ÖPNV
- Zahlreich zur Verfügung stehende Stellplätze
- gemeinschaftliche Nutzung durch anliegende Kultur- und Bildungseinrichtungen

- Extensive connection to the public transport system
- Numerous parking spaces available
- shared use by adjacent cultural and educational institutions

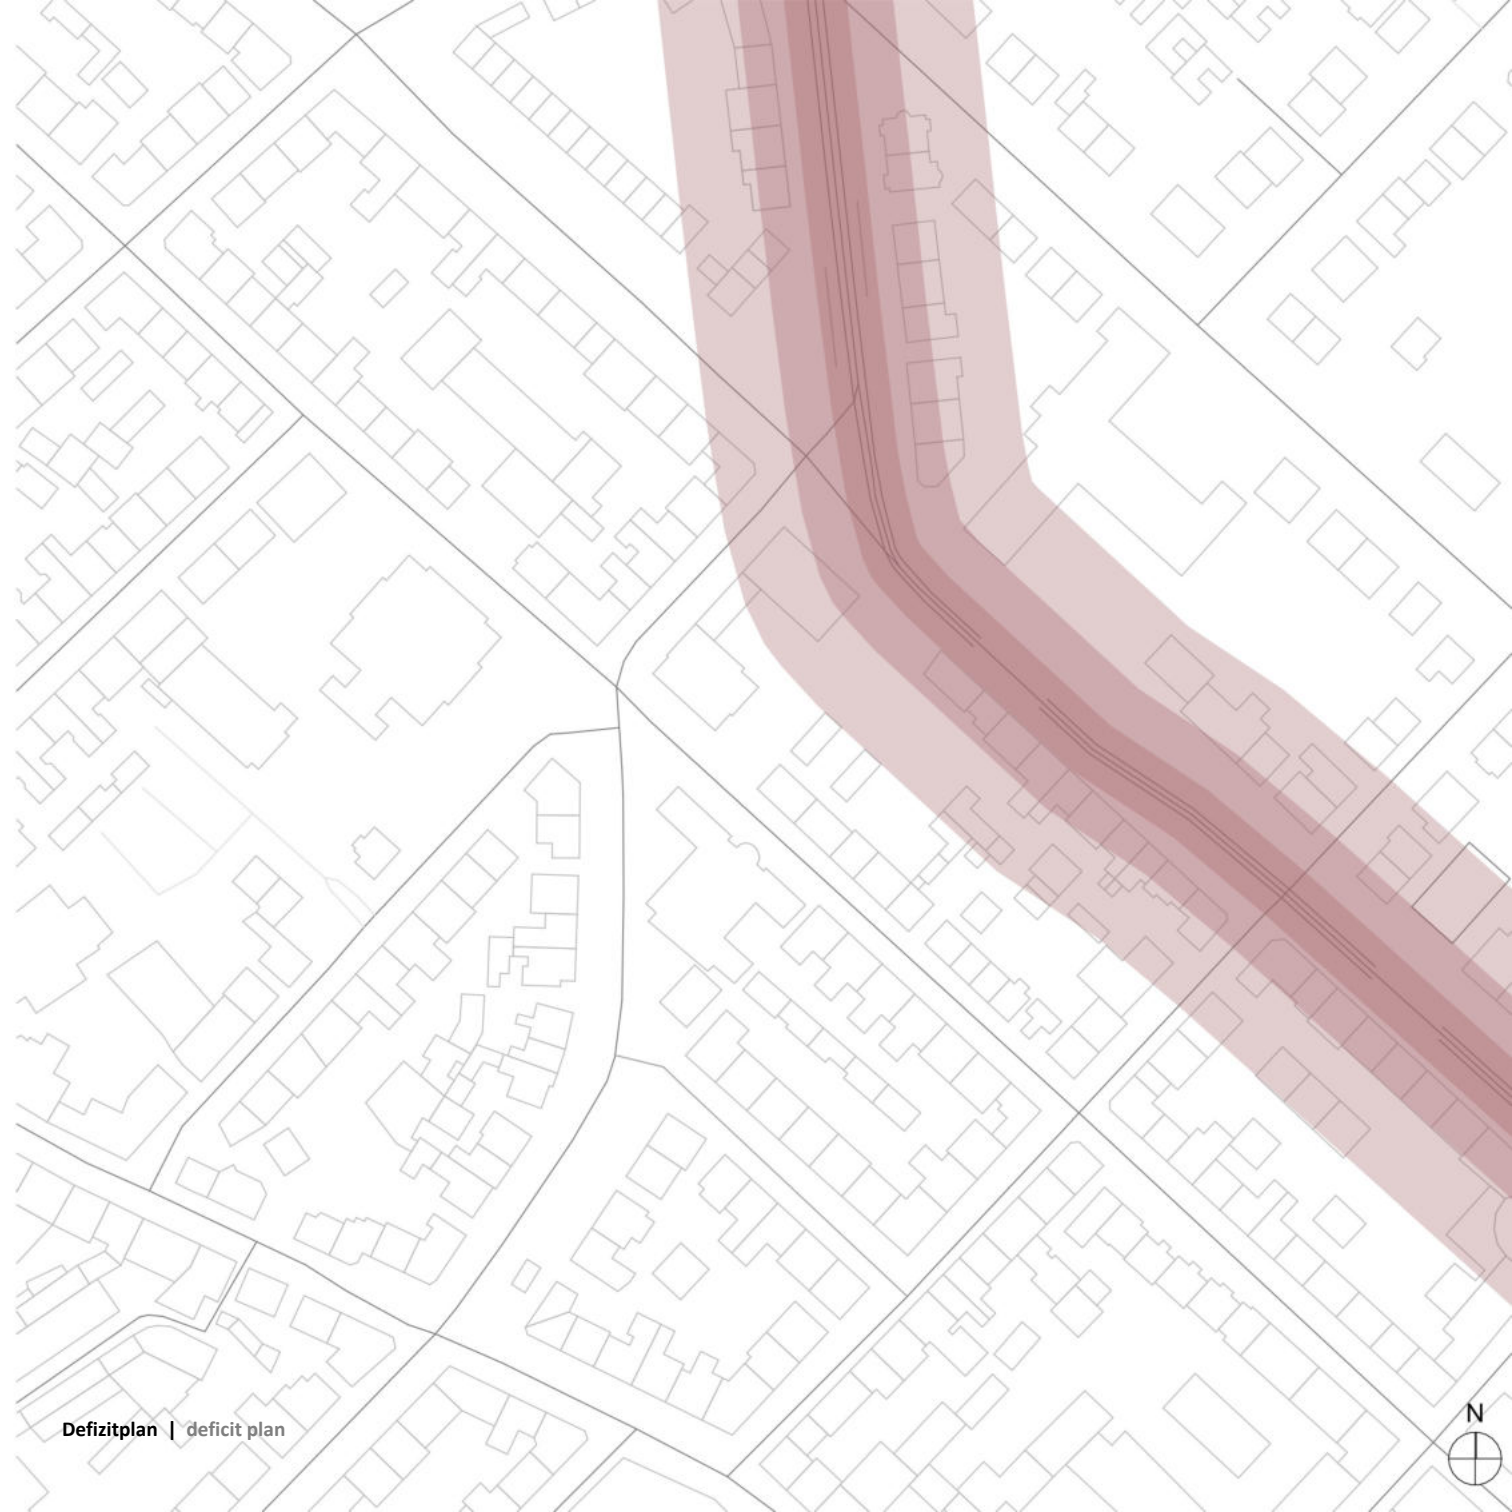

# E4 | Blockhalle | Johanna-Tesch-Schule | Frankfurt am Main, DE

Frankfurt University of Applied Sciences | FB 1 Architektur | Entwerfen | Prof. Tatjana Vautz | Prof. Florian Mähl |

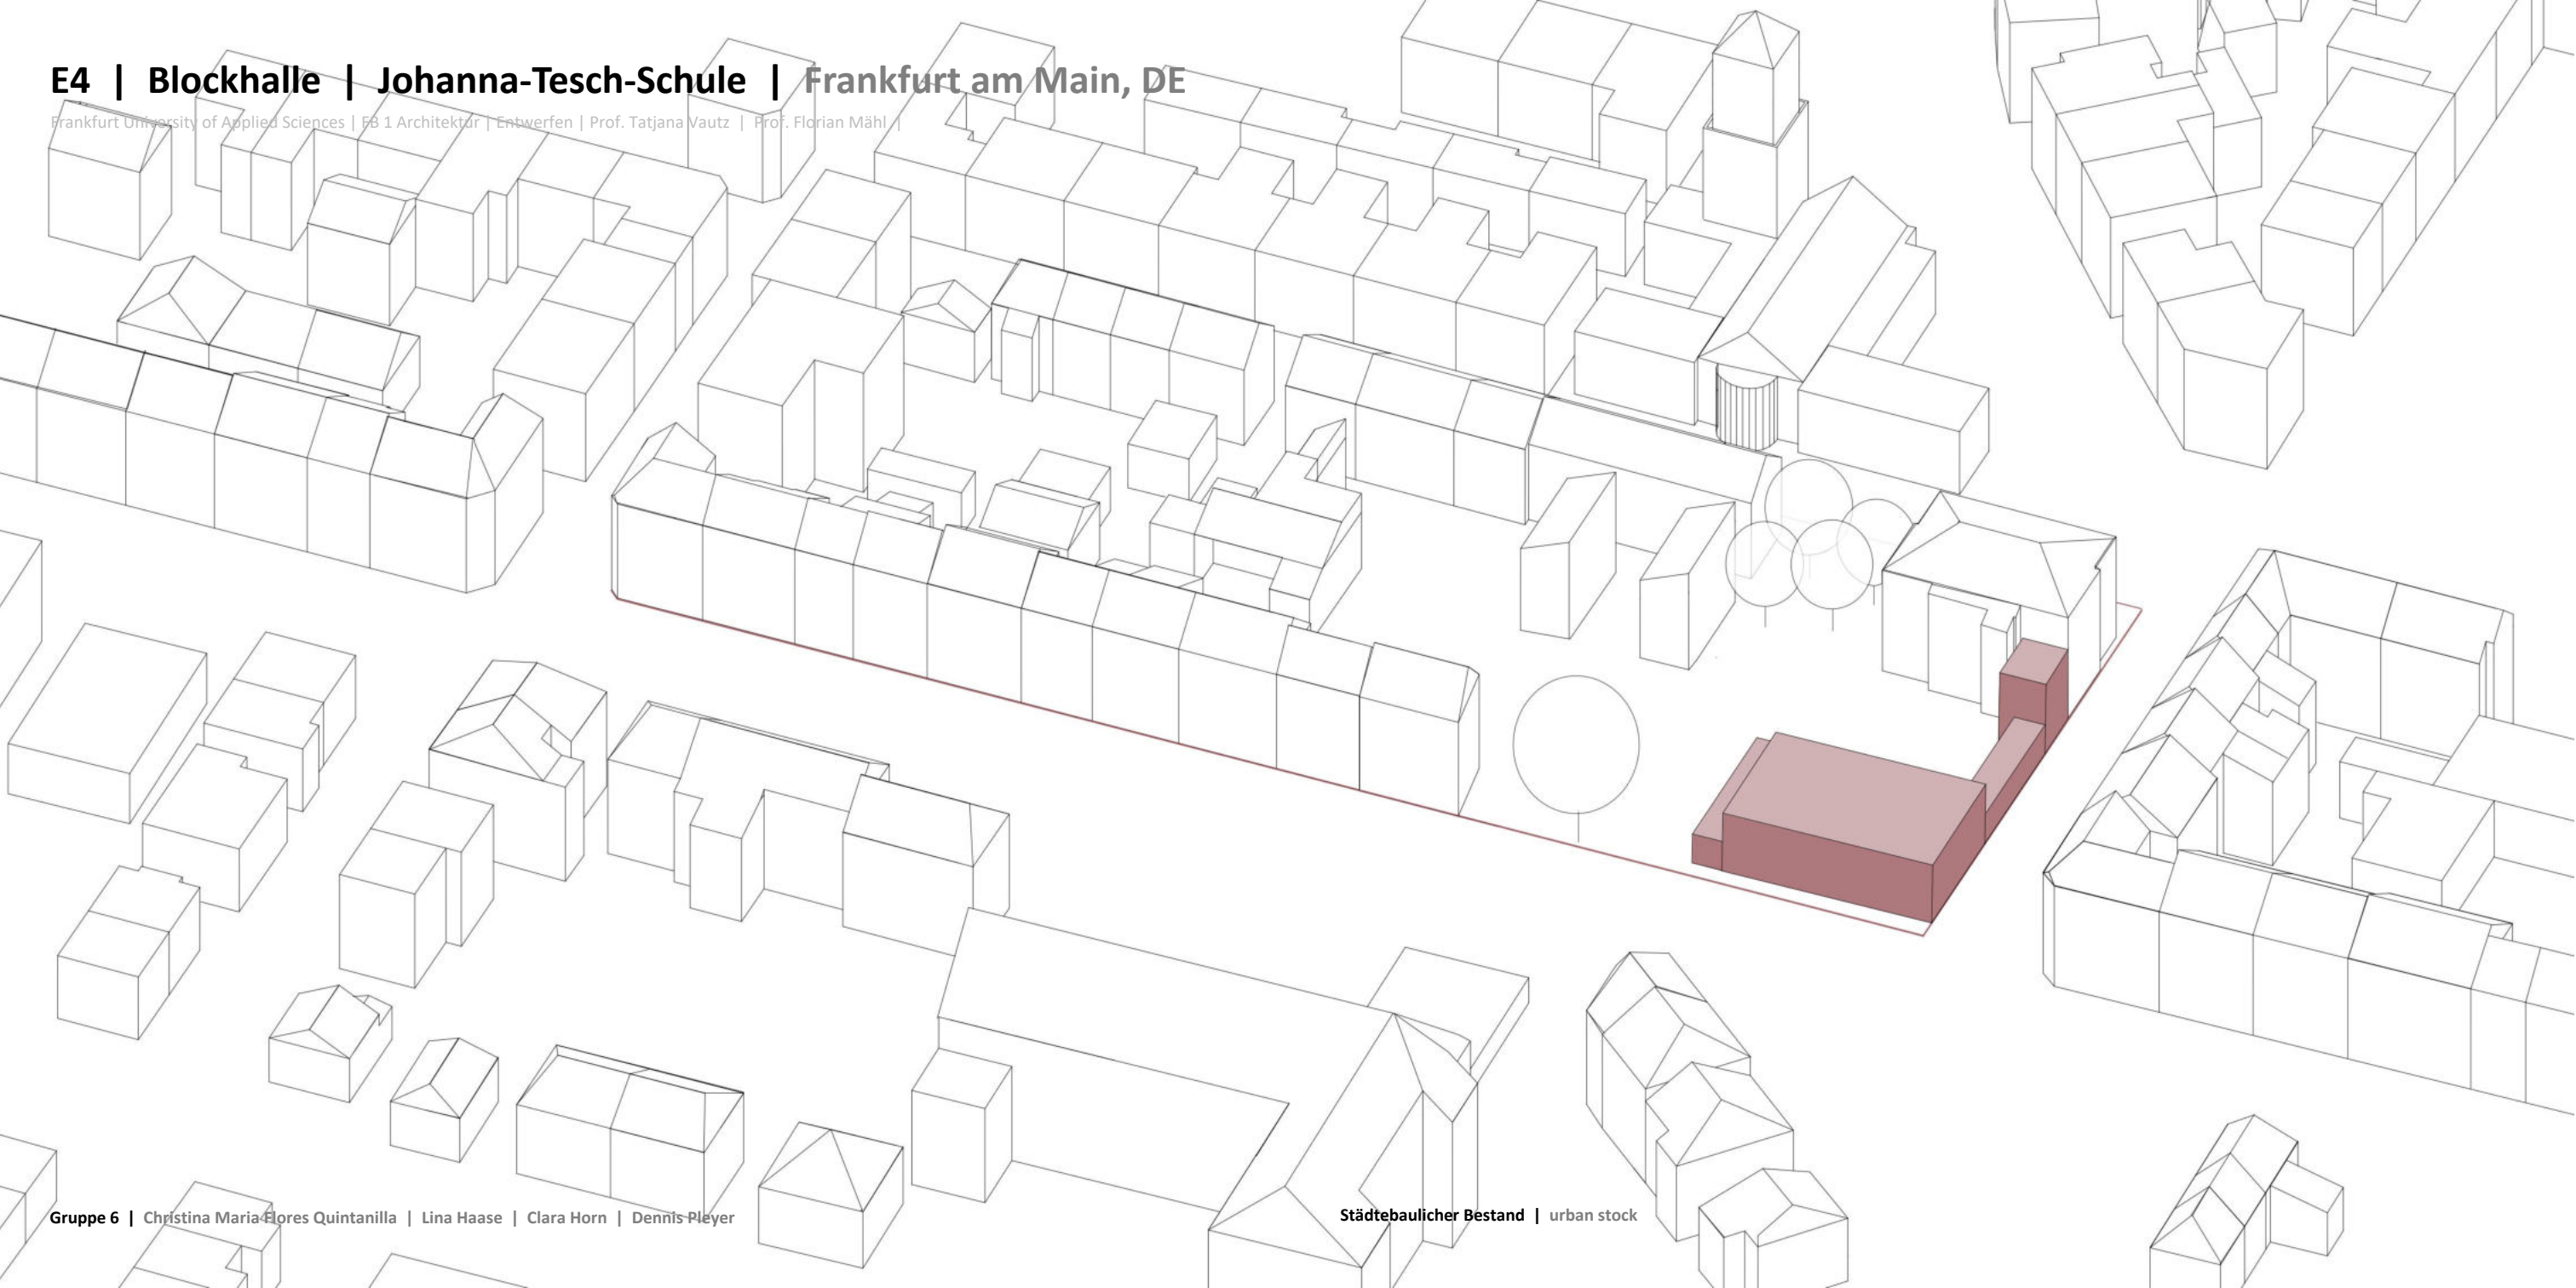

- Laute Geräuschkulisse durch Hauptverkehrsader
- Aufgelöste Blockrandbebauung
- Wenig Freiflächen/ Grünflächen/ öffentliche Plätze

- Noisy background due to main street
- Dissolved block perimeter development
- Few open spaces/ green areas/ public squares

Der atmosphärische Schnitt zeigt die Raumbezüge zwischen dem Innenraum und dem Außenraum, durch die jeweiligen Öffnungen und Schließungen. Der Innen liegende Schulhof wird hier in Scene gesetzt.

The atmospheric section shows the spatial relationships between the interior and the exterior, through the respective openings and closings. The interior schoolyard is set in scene here.

# E4 | Blockhalle | Johanna-Tesch-Schule | Frankfurt am Main, DE

Frankfurt University of Applied Sciences | FB 1 Architektur | Entwerfen | Prof. Tatjana Vajtz | Prof. Florian Mähl |

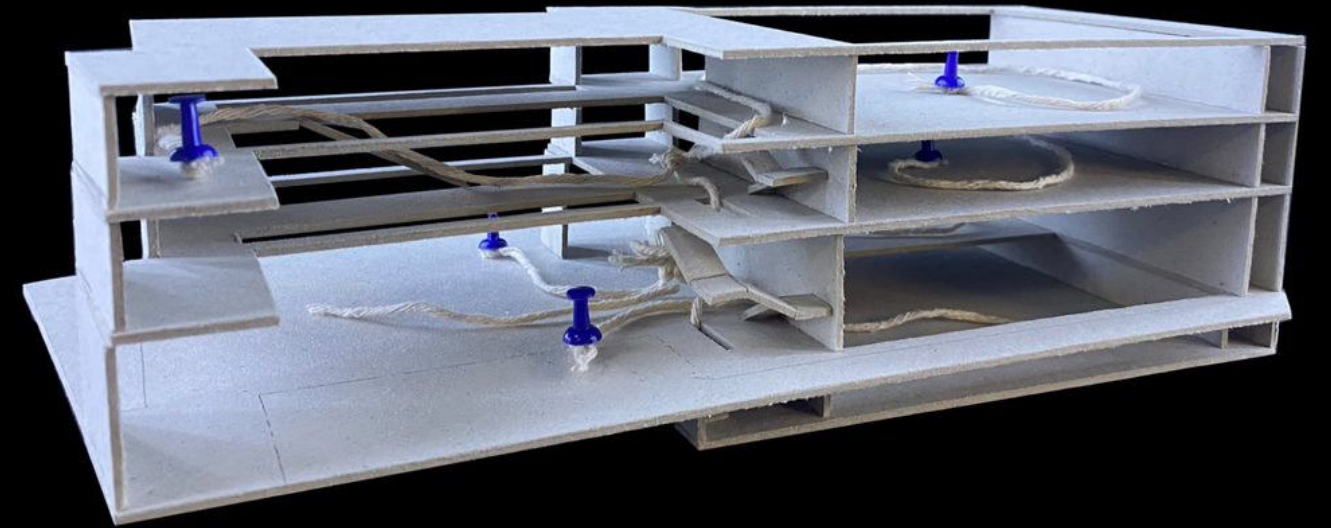

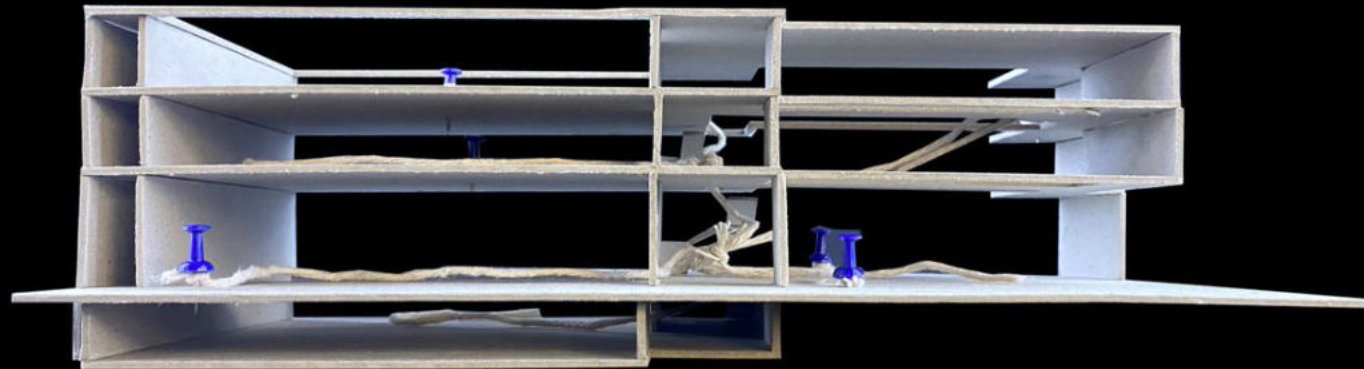

Der atmosphärische Schnitt zeigt die Raumbezüge zwischen den einzelnen Geschossen und wie diese miteinander in Bezug stehen. Die Nutzungen definieren dieses Zusammenspiel der Ebenen und werden durch die gezielt gesetzten Erschließungstrakten miteinander Verbunden.

The atmospheric section shows the spatial references between the individual floors and how they relate to each other. The uses define this interplay of the levels and are interconnected by the purposefully set development tracts.
